the adventures of an idealistic young coal miner from Scotland who believes there must be more to life than working down the pit. The miner, Mack McAsh, eventually runs away in order to find work and a new life in London. Eventually McAsh becomes a leader amongst the working classes of the city and becomes a target for those vested interest groups who do

is rather political, but I never saw it that way.

Relations between the rulers and the working class in the 18th century were so appalling that, even if you're a modern conservative, you have to sympathise with the rebels.

misery in the brutal coal mines, twenty-one-year-old Mack McAsh hungers for escape. His only ally: the beautiful, highborn Lizzie Hallim, who is trapped in her own kind of hell.

Though separated by politics and position, these two restless young people are bound by their passionate search for a place called freedom.
