Back when I was in grade-school, I remember a certain noise coming from my window, every night. I will tell my tale soon but let me first describe the details back when I was in school. Every night at 9:32 the tapping started, small silent taps beginning at the base of the window to the top of the window, then over, then down, then up, then down. Starting on the far side of the window and ...

Then I heard the tap-tap-tapping, Tapping at the window pane! I stood up and walked across To check the window, nothing there. 'Can't you hear that tapping sound, ' I said, but they just sat and stared. 'Surely you can hear that tapping, Tapping at the window pane...' 'It's only your imagination, Just a figment in your brain.'
