Guide
More than just helping others, studying organic chemistry tests in packs provides

several other benefits:

1) Studies have shown over and over that studying practice tests (especially the ACS exam) in groups directly leads to higher grades for all participants.

I'm taking the ACS organic I exam in a week and was wondering if anyone had any pointers. What I'm doing to prepare:

- *Study 2-4 hours a day (more on class days since class adds 2 hours to whatever I study).
- *There's no text book for my class so I'm using the For Dummies series and
