A cover letter is a detailed document that shows hiring managers your desire for a particular job. It is an opportunity to demonstrate more of your personality than you can on your resume. Throughout the letter, you can discuss specific items listed in the job description and how your skills and experience match those requirements.

Resume vs. Cover Letter: What's the Difference? | Indeed.com

Your cover letter may be read first by a human resources professional or a department staff member who is looking for key words from the job ad. "Literally, take the words right from the ad," says El-Ghoroury, and weave them into your cover letter. Without the key words, your application may not get passed along to the hiring decision-makers.
