Fidic Users' Guide: A Practical Guide to the 1999 Red and ...

This book is a revised and extended edition of the author's earlier guides and all three of the Conditions of Contract are reviewed in detail, together with additional notes on problems observed from the use of the 1999 FIDIC Contracts. This guide focuses on the practical administration of the contract and recognises the growing tendency for projects to be administered by local employers, consultants and contractors as well as by the experienced international organisations.
