Investment Banking Institutions Politics And

Investment Banking: Institutions, Politics, and Law Alan D. Morrison and William J. Wilhelm, Jr. Abstract. This book provides an economic rationale for the dominant role of investment banks in the capital markets, and uses it to explain both the historical evolution of and recent changes to the investment banking industry.

Investment Banking: Institutions, Politics, and Law ...

Why have investment banks played such a dominant role in the markets in recent years? By asking what investment banks contribute to economic performance, the authors provide a framework for understanding their historical evolution, economic power, and periodic bouts of conflict with the state. Investment Banking: Institutions, Politics, and Law provides an economic rationale for ...

Investment Banking Institutions Politics And Law [PDF]

Banks may see a benefit in political involvement, but it also brings risks of influencing political decisions, especially legislations and regulations that would affect their businesses, but this ideal may not line up with the reality. The public's skepticism of banks' integrity has not improved much recently—in large part due to their relative lack of transparency regarding their ...
