All good lesson plans contain specific components or steps, and all essentially derive from the seven-step method developed by Madeline Hunter, a UCLA professor and education author. The Hunter Method, as it came to be called, includes these elements: objective/purpose, anticipatory set, input modeling/modeled practice, check for understanding, guided practice, independent practice, and closure.

## **Here's What You Need to Know About Lesson Plans**

All of the Comprehension Strategy Lesson Plans include Common Core State Standard alignment. The standards listed with each lesson plan are based on the Guided Reading Level of the book pairing. So, for example, if the book has been identified as a Guided Reading level L, the book is most appropriate for students reading at a second grade level.
