The medical personnel can play a

Online Library Medical Ethics Accounts Of Ground Breaking Cases

significant role in preparing the ground for winning the consent of family members for organ donation. Given the fact that most of the participants believed that the medical personnel were not persistent enough in their request, one may say that probably even the personnel do not support organ donation.

The obstacles to organ donation following brain death in ...

Prabhpal Singh has defended a relational account of the difference in moral status between fetuses and newborns.

Newborns stand in the parent-child relation while fetuses do not, and standing in the parent-child relationship

Online Library Medical Ethics Accounts Of Ground Breaking Cases

brings with it higher moral status for newborns. Orphans pose a problem for this account because they do not stand in a parent-child relationship.
