Obama And The New Left

Monumental Michelle Obama's book, *Becoming*, is a refreshingly honest and fascinating insight into the major decisions, challenges and events in her life. This left me with even more respect and admiration for her and Barak.

Michelle and her husband accomplished and overcame a lot, even before they became the First Family. I think Obama's 2008 candidacy had a lot of energy and purpose. However, after he was in office, a lot of that energy dissipated and he failed to sufficiently differentiate himself from policies left down by his predecessors in many areas.
