Penguin Great Ideas is a series of largely non-fiction books published by Penguin Books. Titles contained within this series are considered to be world-changing, influential and inspirational.

Download Free Penguin Great Ideas Civilisation

Topics covered include philosophy, politics, science and war. The texts for the series have been extracted from previously published Penguin Classics and Penguin Modern Classics titles and purged of all editorial apparatus, making them appear as standalone texts.

Discontents ...

According to the Penguin website, the "Great Ideas" Series intends to be a collection of "books that changed the world". It's a collection of non-fiction books or, many times, part of larger works, that have had an impact on modern civilization. Many of those are public domain, and several have been recorded for Librivox.
