of software development, specifically managing project teams. It was written by software consultants Tom DeMarco and Tim Lister, from their experience in the world of software development. This book was revised in 2013.

Peopleware: Productive Projects and Teams - Wikipedia

File Type PDF Peopleware Productive Projects And Teams Tom Demarco

“Peopleware is the one book that everyone who runs a software team needs to read and reread once a year. In the quarter century since the first edition appeared, it has become more important, not less, to think about the social and human issues in software development. This is the only way we’re going to make more humane, productive
