Shopping Center Policy And Procedure

When you manage and lease shopping centers, the inspection process is a regular daily event. Given the number of tenants and customers moving through a property on an average trading day, there are lots of issues to monitor including risk and liability. Most shopping centers will have a ' Maintenance Manager ' and perhaps a small team of specialist trades people or contractors to keep the property and building functioning effectively.

A Basic Guide to Shopping Center Operations and Management ...

When you lease or manage a retail investment property or shopping center, the creation and use of an operations manual will be very helpful from both a tenant and customer perspective. The standard events in the property can be set for ongoing reference and control. The use of a manual of this type is also a good 'risk management tool' from an insurance perspective; that will then benefit the landlord in 'risk control.'
