The Taurus Judge is a big old beast of a revolver when you first glance at it. It almost looks slightly deformed, but it has a heftiness that can't be ignored. And anyone brandishing this weapon would certainly get some interesting looks. But before we delve into this Taurus Judge .410 Revolver review, let's get one thing straight.

I have been judge free for over a year now, having suffered from the nastiest of judges, the Raging Judge. .410 rounds would sometimes jam the cylinder up. Primers would unseat. 454 casull is fun, though. I decided the judge was stupid and got a Ruger in 454 so I could still use 45 for target practice in it. But to answer the question, .45>.410 ...
